Auspice

Under most of the Ministry/Department of Culture Grants Programs, only organizations that are legal or established registered entities with the Ministry are eligible for funding. This is because it is the requirement for the Ministry to enter into a funding agreement with such an entity.

This means that individuals, partnerships, groups and unincorporated organizations seeking funding must apply for funding under incorporated or established registered entities with the Ministry. It is the requirement for the Ministry to enter into a funding agreement with such entities.

The role of an auspicating organization is to take responsibility, for the Ministry's/Department of Culture's funds and to provide project management assistance to those being auspicated and keep financial records on the funded project for acquittal purposes.

This arrangement is used to ensure that there is monitoring of the management of the finances and the maintenance of proper financial records, and in turn it will assist the Ministry to meet its audit requirements. Auspices are required to:

- 1) Fill out the grant request application three (3) month prior to the start of the project.
- 2) Enter into a written grant funding agreement with the Ministry/Department of Culture.
- 3) Accept grant funds
- 4) Monitor the use of the funds to ensure compliance with the grant funding agreement.
- 5) Ensure the funding is acquitted to the Ministry/Department of Culture at the completion of the project or event.
